New Products

System W fire coating for doors

System W is a clear or pigmented coating that is suitable for timber doors requiring class 1 fire protection. A two coat system, this product is available at a cost of £70.05/5Kg for Basecoat and £34.00/2½kg for the topcoat.

Please contact us for further information.

Steri-Guard® Lacquer

We can now supply a safe alternative to hygienic coatings. Steri-Guard® has been tested and was found to kill 99.9% of most bacteria including Salmonella, Listeria, E.Coli and MRSA. Steri-Guard® lacquers encompass much safer & more environmentally friendly technologies and are available in Pre-Cat, Acid-cat and PU versions.

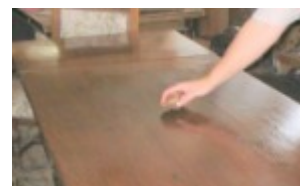

Please contact us for more information and prices

Konig Courses

The next Konig Courses will take place on Monday 11th and Monday 18th December 2006 at our premises, places are still available, please contact us if you wish to attend.

Practical French Polishing Workshops

The next one day course takes place at our premises on Thursday 18th January 2007 and will be run by David Shuttleton a respected polisher and instructor.

The cost is £100 per person (+VAT) and places are still available. Please contact us for further information on what the course covers.

Coming Soon

Heritage Pure Beeswax Range

In January we will be launching our Heritage Pure Beeswax Range – please look out for information.

Christmas & New Year Holiday

Smith & Rodger will close on Thursday 21st December at 4.45pm and re-open on Wednesday 3rd January 2007 at 8am.

We would like to thank all our customers for your valued support during 2006 and hope you have a Happy Christmas and enjoyable New Year.
