Konig Wood Repair Course

The next Konig Course will take place on Tuesday 30th September 2008 at our premises.

MULTiSEAL White Knot Sealer

The best way to seal in knots in timber prior to painting. A white one coat application, MULTiSEAL will prevent knots in the wood coming through the paint. Methylated Spirit based it has been formulated to seal, prime and block out stains on previously painted or new work.

1L £10.50 5L £39.75

Worktop Finish

We are pleased to announce the launch of a new product called Worktop Finish. This oil blend offers outstanding durability especially against water, heat and alcohol. Producing a subtle matt appearance it also brings out the natural grain of the wood.

1L - £10.20 2½L - £21.30 5L - £37.60

Natural Stone Floor Sealer

This new product has been designed to seal and protect porous stone such as terracotta, pamment, slate and quarry tiles. Oil based it requires three coats which will enhance the natural appearance of the stone. It has tested exceptionally well against alcohol (red wine), bleach, coffee, tomato sauce, boiling water etc.

1L - £10.50 2½L - £21.90 5L - £38.80

Peel Away Stripper

After many enquiries we are pleased to announce that we can now supply a cleaner way to strip multiple coats of paint – Langdon Peel Away Stripper.

£22.05/5L
